Presented by: ChemicalWeekly

International Exhibition on Chemical Processing Technology, Equipment & Supplies

April 28-29, 2027 - Halls 2, 3, 4 & 6, Bombay Exhibition Centre, Mumbai

Organiser

ChemProTech® INDIA EXPO PVT. LTD.

ChemProTech® INDIA

Presented by: ChemicalWeekly

The Indian chemical industry is the sixth largest in the world, and the Indian market is widely recognized as the last big market that still has considerable headspace for growth. The industry has been clocking double-digit growth for several years, and the pace of investment is expected to pick up as the government looks to boost local manufacturing.

ChemProTech India 2027 will showcase comprehensive capabilities in Chemical Plant Machinery & Equipment, as well as process technologies for making Bulk, Fine and Speciality Chemicals, Drugs, Agrochemicals, Dyes & Pigments etc.

ChemProTech India 2027 & co-located shows follows the overwhelming response to the 2026 Edition which saw 618 Exhibitors and over 32,000 attendees.

Co-located events will showcase Bulk, Fine and Speciality Chemical Industries and Chemical Logistics.
