

Dear Exhibitor,

We are pleased to inform you that the Exhibition Centre houses a state-of-the-art kitchen operated by Nesco Foods, fully equipped to cater to all Food & Beverage and related service requirements of Exhibition Organizers, Exhibitors, and Visitors.

In addition, Nesco Foods operates multiple Food Courts and Restaurants across the campus, offering a diverse range of national and international cuisines.

To enhance your exhibition experience, pre-order services are available for:

- **Food & Beverages, Vending Machines, Service Staff (stewards, bartenders, etc.)**

These services can be delivered directly to your stall/booth as per your preferred schedule. Kindly refer to the attached Pre-Order Form for detailed offerings and pricing.

To ensure seamless service during the event, we strongly recommend placing orders in advance to avoid any last-minute discrepancies. Please note that all orders must be confirmed with full payment at least 72 hours prior to the first day of the event, as pre-orders will not be honored after the stipulated timeframe.

In case any orders are missed or not placed within this timeline, exhibitors may place their requirements through the existing or make-shift in-house food courts on a counter-sale basis during the event, which will be assisted by our hall operations team.

We also wish to draw your attention to the revised Food & Beverage Policy at Nesco Centre. As per Nesco policy, outside food or beverages of any kind, including drinking water, are strictly prohibited inside the Exhibition Centre. This measure is implemented to ensure adherence to sustainability policies while facilitating efficient venue management.

If any outside food or beverages are found within the premises, the Venue reserves the right to confiscate and dispose of such items appropriately. Additionally, the Organiser/Exhibitor will be liable to a penalty of INR 10,000 (Rupees Ten Thousand Only) per instance, payable immediately upon demand to avoid any inconvenience.

We sincerely thank you for choosing to exhibit at the Bombay Exhibition Centre (BEC) and look forward to supporting the success of your participation.

Warm Regards
